

Flat Sheets

For Wall & Door Protection

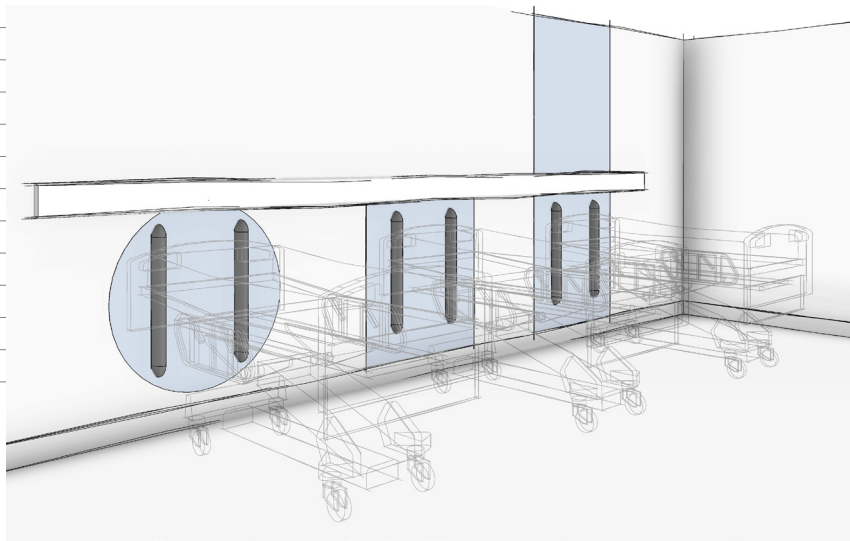

Whether it's for existing wall & door protection, creating a custom product or supplying project start-up services, Platinum Wall Protection works hard to give architects and owners what they need.

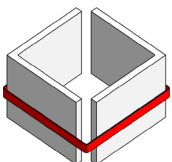

DOOR SAMPLES:

BED LOCATORS:

- PVC flat sheets provide a durable, protective skin for any door or wall, ensuring extended lifecycle and reduced maintenance costs.
- Can be cut in any shape offering an endless range of cladding possibilities
- Manufactured to max 1.8 x 3m lengths
- Standard & custom colours available (depending on quantity)
- Smooth finish that promotes minimal bacterial growth and makes it easy to clean
- Applied with an approved adhesive & dry-rolled to ensure full adhesion
